SURYA P

Data Analyst Trainee

suryanileshwar@gmail.com

8593051477

About Me

Highly motivated and detail-oriented Data Analyst with a passion for leveraging data to drive business insights. Proficient in SQL, Python, and Tableau, with a strong foundation in statistical analysis and data visualization. A strong communicator and team player, eager to contribute to a dynamic team and leverage my analytical skills to drive data-informed decisions.

Skills

Programming and Data Analysis : Python, R, SQL ,Numpy, Pandas

Data Visualization: Tableau, Power BI, Matplotlib

Database Management : MySQL, NoSQL

Other Tools : Excel, Word

Soft Skills : Logical Thinking , Quick Learner, Time Management , Good Communication

Work Experience

Quest Innovation Solution, Kannur

Data Analytics Trainer (Present)

- Created and Maintained database for several applications
- Series and Data frame using python library
- Created a dashboard for sample superstore using Tableau
- Implemented a dashboard for HR analytics using Power BI
- Zomato Dashboard using Power BI
- Sample chocolate analysis using Power BI

Projects

Quest Innovation Solution, Kannur

Data Analytics Trainee

Topic: Loan Application Dashboard Analysis

- To analyse and visualize loan application data for better business decisions, detect fraud patterns, and understand approval trends across customer segment.
- Performed data cleaning , transformation and modelling in power BI.
- Visualized trends in Power BI.
- Using DAX Measures for KPIs
- Designed interactive visuals and filters for business users.

Department of statistics, Kannur university

MSc Statistics

Academic Project: A study on various statistical computation methods

- Conducted simulations and numerical analysis using Monte Carlo Methods to estimate integral, variance and confidence interval.
- Implemented Bootstrap and Jackknife techniques to assess the bias and standard error of estimator.
- Simulated Type I error rates and Power of statistical tests using hypothesis.
- R scripts to replicate empirical result and compare theoretical expectations.
- Using the R programming, simulation and statistical inference.

Internship

Diploma In Computer Application (6 Month duration)

Academic Qualification

Master of science in Statistics with specialization in Biostatistics (2017-2019)

Department of statistical science, Kannur university (No Backlogs) 80%

BSc Statistics (2014-2017)

Nehru Arts And Science College, Kanhangad

Kannur University 77.02%

Plustwo Science (2011-2013)

Rajas HSS Nileshwar 76%

SSLC (2011)

Rajas HSS Nileshwar First class

Interest

- Social Networking
- Watching Movies
- Listening Music

Awards/Achievements

- National Conference on Advance In Statistical Methods
- Certificate in Computer Application

Languages

- English
- Malayalam

Personal Detail

Date of Birth : 17/07/1995 Gender : Female

Marital Status : Married

Nationality : Indian

Address : Payyarathu illam

Kalarivathukkal (po) Valapattanam
Kannur 670010, Kerala
